## PROJECT HIGHLIGHTS

### CAA MOBILE - UX/ UI

<http://tommycodes.ca/caaMobile.html>

- Figma's interface tool used to create high-fidelity wire-frames, mock-ups, and prototyping.
- A/ B testing for cleaner, vibrant, and optimized user-experience.
- Designed with up-to-date UI design trends.

### HELP ME WATCH! - JavaScript Duo Programming

<http://tommycodes.ca/helpMeWatch.html>

- TV/ Movie web application built using HTML, CSS, JavaScript & jQuery.
- DOM manipulation with user event and error handling.
- TMDb API data gathered and utilized by using jQuery Ajax call method.

## EDUCATION

### WEB DEVELOPMENT IMMERSIVE CERTIFICATE

HackerYou/ Juno College of Technology, Toronto, ON

### ARCHITECTURAL TECHNOLOGY ADVANCED DIPLOMA

Centennial College, Scarborough, ON

## EMPLOYMENT EXPERIENCE

### CAA SOUTH CENTRAL ONTARIO - Member Support Agent

Thornhill, Ontario | 2017-2018

- Mentored and provided continuous support to agents, team-advisors, and supervisors on the use of company's new customer relationship management (CRM) software.
- Recommended to collaborate with the Relations Team to follow up on back-logged member complaints. Significantly cleared out approximately 80% of a year's work as a team, within 2-3 months.
- Addressed and resolved concerns with members by effectively communicating, managing, and delivering on expectations.

### GEARART DESIGN & CONTRACTING - Designer/ General Laborer

Markham, Ontario | 2007-2016

- Generated concepts by hand and computer aided software (AutoCAD), for functional and aesthetic possibilities for interior spaces.
- Maintained strong client relationships, by communicating and addressing client questions and concerns; to ensure project scope is completed on time and to their expectations.
- Collaborated with team members for all phases of renovation involving: demolition, framing, dry-walling, flooring, and more.
